Superintendent's Highlights

The District continues effort to improve all of the services required to provide exceptional educational programs. A district strategic plan with vision, mission, and goals with specific measurable objectives is being developed to guide these efforts.

Our focus has been to improve learning through implementation of effective extended day reading remediation in the primary grades, alignment of the district curriculum to the state standards, and teacher and student review of standardized testing results. All employees are provided opportunities for professional development to improve their work skills in their areas.

A pre-school program, using grant money, is provided for all 3 & 4 year old residents of the district. An after-school and summer program has also been developed.

The district patrons approved a twenty-year plant facility levy by 68% in May of 2002 to replace the unsafe facilities on the Bovill and Deary campuses. The State of Idaho according to Idaho code should contributed seventy-five percent of the interest money to the project. Construction is scheduled to begin in March of 2003.

Progress Towards Meeting District Goals

2001-02 Goals

Progress

Curriculum Improvement	Language arts review, coordination and alignment to standards is complete and a new series of textbooks for K-8 will be in use this fall.
Technology Competencies	96% of the staff have completed Technology Competency Certification. The NWEA MAP tests were piloted with grades 3, 5, 7, and the 9 th grade ISAT all done in the computer labs.
Safe Schools	Each school has developed a safe school plan to ensure a safe learning environment. The district(s) have safe building concerns that are difficult to eliminate but every effort is made to minimize the physical hazards.
Efficient Student Transportation	The district replaces route busses on a ten-year rotation.
Century 21 Grant	The award of a Federal Century 21 Grant to the Whitepine District in consortium with Troy will provide pre-schools for all 3 & 4 year old children in both communities and after school educational and recreational activities at all four buildings. A full summer program will also be provided for the students of the two districts.
New School Buildings	Additional classrooms at Bovill elementary School, replace the gym and vocational agriculture building at Deary High School are scheduled for the 2003-2004 year.
